

Dear Terry:

I am so pleased to inform you that our Beneath the Vigils project of music has earned over \$14,000 for the OSI clinic of the Parkwood Veteran's Hospital in London ON. The success of our project is a testimonial to the generosity of our community and the hard work of all volunteers. A keystone in the profile and distribution of our cd is the website www.beneaththevigils.ca which you designed. We requested simplicity, ease of use and graphics which tastefully supported the purpose of the music on the cd. The site you designed meshed perfectly with our needs and our budget. We are delighted by the fact that we have had sales, via your site, from coast to coast and overseas! You have, as well, been so very accessible when we need to add distributors to the site. Well done! Via the site, our project continues to bring good to our veteran community.

Sincerely

Keith Jones,
Br. #43 Pipe Band, Oshawa, ON
